Omega Psi Phi Fraternity, Incorporated

Greetings,

On behalf of the Psi Alpha Chapter of the Omega Psi Phi Fraternity, Incorporated we would like to say “Thank You” for your 11 years of continuous support of the White Martini Party. This is a “Party with a Purpose” a portion of the proceeds will benefit the Psi Alpha Chapter Scholarship Foundation and also support our various community service programs. The Psi Alpha Chapter has been a steady pillar in the San Antonio community for 79 years providing scholarships to those deserving high school seniors that aspire to go to college. As far as community service the brothers have been seen all over the city wearing the colors of purple and gold providing service and uplift in the various city programs, schools and neighborhoods.

Again “Thank You” for your support of this great event.

To Our Guests,

It is with great pleasure that we greet you to this great event. We have been going strong for 11 years and nominated 5 times as the No. 1 event by Blackbook. A big thank you to the White Martini Party Committee and the brothers who served over the years, and of course, to the visionaries who inspired to host a “First Class” event in San Antonio. The White Martini Party started out at the Blue Bubble Ballroom and quickly moved to the Henry B. Gonzales Convention Center. The brothers of Psi Alpha Chapter would like to thank all of you (our guests), for your support. Without your generosity and willingness to support something positive, this event would not be a success. Your support gives the Brothers of Psi Alpha Chapter an opportunity to continue to give back to our community. Hats off to you and the White Martini Party Committee for making a great team of support for our youth. Like always, we enjoy seeing all the beautiful people dressed up in their “all white” attire hanging out having a great time with the Alamo City Ques. In the words of a good friend, “Hello”!

Very Respectfully,

Brother Joe Monroe
Chairman
